Yeah baby it's like
Fuck fuck fuck
In the morning
Yeah baby it's like
Fuck fuck fuck
In the middle of the night

1000 girlfriends is what I got
What a life?
Yeah you got it
I just fuck any girl
Any night
I don't need the playboy mansion

I got mine

Fuck fuck fuck
Getting me far
For a year
A different chick every night
Fuck fuck fuck

Fucking in a bed
Fucking in the car
Fucking in a toilet cubicle
Fucking on my Mum's new couch

Fuck fuck fuck
