Oh baby our fucking was good last night
You know that all the mother fuckers were gone
It was the most perfect one night stand
Don't tell me piss off cause you'll be mine
Alright
Oh baby oh baby

Oh baby oh baby
Can you feel?
Do you like the way I move?
Please don't say it cause maybe
Oh baby
I'll dream about you tonight

Please lick it
Oh baby just kiss it
Everyday is like hell without it
My eccrection is perfection
Don't you be a fuckin' whore
Oh baby oh baby
Oh baby oh baby
Can you feel?
Do you like the way I move?
Please don't say it cause maybe
Oh baby
I'll dream about you tonight

No whores gonna stuff this up tonight
No mother fuckers gonna fuck me tonight
No way are you gonna make this the last night
Oh baby oh baby

Oh baby oh baby
Can you feel?
Do you like the way I move?
Please don't say it cause maybe
Oh baby
I'll dream about you tonight

Oh baby
Oh baby
Oh baby
