"Whatever"

Visit "[Whatever](#)" on MotoLyrics.com

Can not say whatever anymore
Yeah yeah yeah
I know what your gonna say
But
No no no
I can not take the shit you say any more
Cause I've been seeing another girl
That I must see all day
I love her so bad

Now you can't just say whatever anymore
I ain't gonna knock on your door
I'm lovin' dis girl that I want
You can'r just reply whatever anymore
Whatever anymore

Crazy little bitch is what you are
Mental evil bitch is what you are
Come on bitch fly with me
Don't listen to the radio
Just listen to me on a CD

Now you can't just say whatever anymore
I ain't gonna knock on your door
I'm lovin' dis girl that I want
You can'r just reply whatever anymore

Whatever anymore

I'm not a bastard
I got the key to the door
And your not coming in
What's wrong with the problem?
Nothing wrong there's no promblem
Where do you belong?
I love you
I hate you
I miss you
All that deep inside

Now you can't just say whatever anymore
I ain't gonna knock on your door

I'm lovin' dis girl that I want
You can'r just reply whatever anymore
Whatever anymore

Now you can't just say whatever anymore
I ain't gonna knock on your door
I'm lovin' dis girl that I want
You can'r just reply whatever anymore
Whatever anymore

Sorry but you
Can't just say whatever anymore
