

## Rhys "Hot Summer"

Visit "[Hot Summer](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Hot, hot, hot, hot,  
Hot, hot, hot, hot,  
Hot, hot, hot, hot,

Let me introduce you to what you're been missing  
Just dance and work it, I'm on a brand new mission  
All the kids in the club are hungry for what I'm dishing  
This beat's got heat and so tonight I'm wishing

To get to the floor  
So I can get me some more  
I wanna put out a toast  
To those who freak me the most

I got a feelin' and I just can't let it go  
Now I can't stop it baby, let's get physical  
Just wanna get up in a good vibration  
Now I can feel it in the air

It's gonna be a hot summer  
A hot, hot summer  
Hot summer  
A hot, hot

Gonna be a hot summer  
A hot, hot summer  
Hot summer  
A hot, hot  
Gonna be a

Hot, hot, hot, hot  
Hot, hot, hot, hot

I need somebody to release this tension  
I could only get so far on first impressions  
Lets say we make our way to my location  
Your bod, your smile, your eyes send me vibrations

Get to the phone  
Tonight I'm claiming my throne  
You got me into the zone  
And now this party is on

I got a feelin' and I just can't let it go  
Now I can't stop it baby, let's get physical  
Just wanna get up in a good vibration  
Now I can feel it in the air

It's gonna be a hot summer  
A hot, hot summer  
Hot summer  
A hot, hot

Gonna be a hot summer  
A hot, hot summer  
Hot summer  
A hot, hot  
Gonna be a

Beach life  
Convertible  
Spot Light  
Here we go

Roof top  
Party on  
Can't stop  
Until the morn'

I got a feelin' and I just can't let it go  
Now I can't stop it baby, let's get physical  
Just wanna get up in a good vibration  
Now I can feel it in the air

It's gonna be a hot summer  
A hot, hot summer  
Hot summer  
A hot, hot

Gonna be a hot summer  
A hot, hot summer  
Hot summer  
A hot, hot  
Gonna be a

Hot summer (I can feel it in the air)  
A hot, hot summer  
Hot summer (I can feel it in the air)  
A hot, hot  
Gonna be a

Hot summer (I can feel it in the air)  
A hot, hot summer

Hot summer (I can feel it in the air)  
A hot, hot  
Gonna be a
