Maggots in my head  
Feeding though I'm not quite dead  
To fester on my flesh  
Their one and sole objective  
Festering on my dying flesh  
Maggots  
Maggots fucking maggots  
Submurged in filth  
Their bodies worm their way inside  
Drenched in rancid discharge  
Slwoly I am eaten  
Festering on my dying flesh  
Maggots  
Maggots fucking maggots  
Nothing slows their progress  
Into my decaying brain  
Feeding on my death  
Choking my last gasping breath  
Maggots in my head  
Feeding though I'm not quite dead  
To fester on my flesh

Their one and sole objective

Festering on my dying flesh

Maggots

Maggots fucking maggots
