Comin up in here half dressed

She barely cook but good wit cuss words
Spend all my money up smoke ??
Crashed the coupe, and could count that too
No matter what you do your still my boo
She run the streets more than I do
Can't talk to ya cause ya keep an attitude
Hit the stats, Hit the cash, ain't ??
Look at it ain't a loss, I'll make it up tommorrow

I wanna be your woman
Coo coo chee
Ya you know you want some
Coo coo coo coo coo chee
Chicken on the run

There's something bout that kitty cat
You should give me that
It's like my momma standin' over ?boy! put it back?
It's something bout them pants girl, go'on back it up
But that ass I'm a rub down, slack it up
Something that ??, can't take it
So keep it off the record
You sexy buck naked
So everytime I hit it I'm like ?o
