Can't you hear me screaming
Don't you see me bleeding
And your sitting there acting so dumb
I'm ready to go I've made up my mind
Ooh you crush me down to grind

Chorus:

I'm Kicking and Screaming at you
I'm Kicking and Screaming at you
I'm Kicking and Screaming
I'm Kicking and Screaming

I'm sick of all your lies
I don't want to see you anymore
Make it fast because this will be the last you talk to me

Chorus 2x's

You let me down
I'm screaming louder
Your gone away and I meant no escapes
My mind vanished and I kick and scream again
I don't want to feel the pain
I'm insane I'm going wild
Somebody please help me from being riled

Chorus 3x's
