Fuck me

Get me so
Get me so horney

I'm hot come on so you ready ready
And I'll pull down your jeans anytime you ask me too

So you can act bad, please fuck me, look sexy
And I'll pull down your jeans anytime you ask me too

When them fake ass hoes over there lookin you up and
down
I be gettin jealous cause you know you want to fuck wit
me
You know I can suck it better get ready to pull down
your jeans
When I'm rubbing all over your body I be gettin so
horney

Do you like it when I suck it
Better ask Skyler Star who Ima do tonight

You can give it to me doggystyle like two cats in the
wonderwild you look sexy and lookin fine it's the least I
can say cuz you

Get me so horney

I'm hot come on so you ready ready
And I'll pull down your jeans anytime you ask me too

So you can act bad, please fuck me, look sexy
And I'll pull down your jeans anytime you ask me too

When you stick it all the way up there I be yellin your
fucken name whenever we finished I want to start
again
It's whatever you want to do give me your sexy rules
Whenever I see your face you know I gotta love on you

Do you like it when I suck it

Better ask Skyler Star who Ima do tonight

You can give it to me doggystyle like two cats in the
wonderwild you look sexy and lookin fine it's the least I
can say cuz you

Get me so horney

I'm hot come on so you ready ready
And I'll pull down your jeans anytime you ask me too

So you can act bad, please fuck me, look sexy
And I'll pull down your jeans anytime you ask me too

Get me so horney

I'm hot come on so you ready ready
And I'll pull down your jeans anytime you ask me too

So you can act bad, please fuck me, look sexy
And I'll pull down your jeans anytime you ask me too

Get me so horney
