I can do all things, through Christ who gives me strength.
But sometimes I wonder what He can do through me.
The great success to show the glory on my own
Yet in my weakness He is there to let me know.
His strength is perfect when our strength is gone.
He'll carry us when we can't carry on.
Grace in His power the weak become strong.
His strength is perfect, His strength is perfect.

We can only know the power that he holds
When we truly see how deep weakness grows.
His strength in ours begins when ours come to an end.
He hears our humble cry, and proved again,
His strength is perfect when ours strength is gone,
He'll carry us when we can't carry on
Grace in His power the weak becomes strong.
His strength is perfect, his strength is perfect,
Grace in His power the weak becomes strong
His strength is perfect his strength is perfect.
