"To Rescue A Sinner Like Me"

I don't understand how a God so divine
Could lower Himself to a life such as mine
And consider me worth every minute of time
To rescue a sinner like me

When I think of my savior alone on the cross
I know without him
That my life would be lost
If he had not been willing to suffer the cost
To rescue a sinner like me

To rescue a sinner like me, Lord
To rescue a sinner like me
He abandoned his throne and his kingdom above
To rescue a sinner like me

My mind is so limited that I cannot see
The reason he died and arose just for me
So unworthy was I, yet he gave willingly
To rescue a sinner like me

To rescue a sinner as worthless as I
Yet he gave me a reason to sing
It's so hard to believe but it happened to me
Hallelujah to Jesus my king
My king
