I love your black tush,
your red lips,
your long legs,
your high heels

I love your thigh high boots,
your snake skin one piece suit.

Chorus:

Yeah you really get me going when you put it all on,
but I like it a little better when you take it all off,
baby come on put it all on,
baby come on now take it all off.

I love your leopard spot bikini,
and your black pengo,
I love it when you hop out of bed,
and dance to the radio

Chorus:

Yeah you really get me going when you put it all on,
but I like it a little better when you take it all off,
baby come on put it all on,
baby come on now take it all off
(now watch me take it off)

I love the way keep me moving every time your
standing still,
I love the look in your eyes when your licking your lips

Chorus:

Yeah you really get me going when you put it all on,
but I like it a little better when you take it all off,
baby come on put it all on,
baby come on now take it all off,
baby come on put it all on,
baby come on
