1, 2, 3, 4, get with the wicked  
Can I get a woo woo  
Chicks get with it  
Can I get a what what  
Fellas you know

1, 2, 3, 4, get with the wicked  
Can I get a woo woo  
Chicks get with it  
Can I get a what what  
Fellas you know

RB runs the show

I'm just too hot to handle in the matter of rap  
The elements of relevance are locked in the track  
I buckle up, run the shop, take it to the top  
But I'm still laid back as I fade the crack  
I tap the bottle and twist the cap  
I bring the essence of pleasance to fight the wack  
I'm majestic, you can test this  
With the skills I've got yo!  
I should be arrested

1, 2, 3, 4, get with the wicked  
Can I get a woo woo  
Chicks get with it  
Can I get a what what  
Fellas you know

Deetah, rap out

Better turn da lights down! Who's there? Have no fear  
Been there to 'relax' now I came to prepare  
La Gata's on da loose, lyrical abuse be aware  
Ahora con el wicked I declare  
You can get a woo woo a what what  
I rock wild- RB help me out now

Don't worry, I've got you, that's how we get down  
Blaze to amaze - make it hot, understand

From crowns to pounds- kilo to ounce  
Bounce, here's a chance to relieve dat tense  
Loose up those pants an' up with those hands!  
Get with da hardest ill Chica on a trance!  
I occupy this bar from dusk 'til dawn, dawn 'til dusk  
24 hours I bust  
Whenever, however, on whatever I want  
Anytime, any place, anywhere, I'm prepared!

1, 2, 3, 4, get with the wicked  
Can I get a woo woo  
Chicks get with it  
Can I get a what what  
Fellas you know

This is where the science ends and you better enter the  
lion's den  
Yes my friend, where flows get bent and twisted  
It's the UK whizzkid, who gets paid big, yes I'm afraid  
so

Drop some hot 'ish' got you all hyped out  
Now check mi Chicas y Chicos how liberated,  
stimulated  
Satisfaction I'm creatin'

I run the rules of the trade  
Get you afraid of the facts  
When you're missing the dissing  
It's time to react

Up with those hands for Claudeetah  
Da extraordinary Senorita  
Lyrical abuse yeah, you best believe dat

Run with the true cat  
Forget the sewer rat

Run with the true cat  
Forget the sewer rat

Is where you from kid  
Is where you at!

1, 2, 3, 4, get with the wicked  
Can I get a woo woo  
Chicks get with it  
Can I get a what what  
Fellas you know
