Wake up  
Grab a brush and put on a little make up  
Hide the scars to fade away that shake up  
Why'd you leave the keys upon the table?  
(You wanted to!)  
Why'd you leave the keys upon the table?  
(You wanted to!)  
WHY, did you leave the keys upon the table?  
(grumbling)

I don't think you...  
Trust, in, my, self righteous suicide  
I, cry, when angels deserve to die

Je ne pense pas que vous me fiez, dans, mon,  
self righteous suicide  
Le cry, when angels deserve to

Father, father,  
Fucker, fucker

Father into your hands,  
I commend my spirit  
Father, into your hands  
Why have you forsaken me  
In your eyes forsaken me?

I don't think you trust  
In, my, self righteous suicide  
I, cry, when angels deserve to  
Die, ladies and gentlemen.
