Do you feel that?
OH shit.
Wahahahah, wahahah
Get up come on get down with the sickness.
Get up come on get down with the sickness.
Get up come on get down with the sickness.
Open up your hate and let it flow into me.
Get up come on get down with the sickness.
You mother get up come on get down with the sickness.
You fucker get up come on get down with the
sicknesss.
Man this is the gift that was given to me.
I can see inside you the sickness is rising.
It seems that all that was good has died.
Oh no the world is a scary place,
Now that you've woken up a demon in me.
(Bobby will you give it to me?)
(234)
WAHAHAHAHAH!
Get up come on get down with the sickness.
You mother get up come on get down with the sickness
You fucker get up come on get down with the sickness.
Open up your hate and let it flow into me.
Why can't you just fuck up and die?
Get down with the sickness.
Fuck you I don't need this shit I'm down with the
sickness.
You stupid sadistic abusive fucking whore get down
with the sickness.
Here it comes get ready to die.
Get ready to,
