I'm only happy when it rains
I'm only happy when it's complicated
I know, I know you can't appreciate it
I'm only happy when it rains

You know I love it when the news is bad
Why it feels so good to feel so sad
I'm only happy when it rains

Pour your misery down, pour your misery down on me
Pour your misery down, pour your misery down on me

I'm only happy when it rains
My only comfort is the night gone black
I didn't accidentally tell you that
I'm only happy when it rains

You wanna hear about my new obsession
I'm riding high upon a deep depression
I'm only happy when it rains
