He is a man who lives a life of danger
To everyone he meets, he stays a stranger
With every move he makes, with every risk he takes
The odds are he won't live to see tomorrow

Secret agent man
Secret agent man
We've given you a number
And taken away your name

Beware of pretty faces that you find
A pretty face can hide an evil mind
Be careful what you say or you'll give yourself away
The odds are you won't live to see tomorrow

Secret agent man
Secret agent man
We've given you a number
And taken away your name

Just like that

Secret agent man
Secret agent man
We've given you a number
And taken away your name, yeah
