VERS

Don't do this
Baby come home, yeah

Sick of all your lying
Followed by your crying
When you get cold

Easy to mislead me for a while
But into time I catch up

You can pitch and you can pound
But lies come out your mouth when it's closed
So it's time that I walk out
Don't look back while you're loudly ???? me

REFRAIN

Don't do this
Baby come home
Don't do this
Baby come home

VERS

When You ????
But lies come out your mouth, keep it closed
Time to set aside
My feelings had you right on the floor

REFRAIN

Please don't do this
Baby come home, yeah
Don't do this, no!
Baby come home, yeah

BRIDGE

I've been your fool for too long
Waiting for you while you're wrong

Theres no more love in my home
Despite your whises it's time that we ????, yeah

** SOLO **

Baby, Baby, please, please, please, please
I hurt every time you say

REFRAIN

I miss you!
Baby come home

Baby come home

Don't do this
Baby come home, yeah
