I wanna ride with you honey/ I wanna roll around the
kitchen floor/ I wanna fight with you honey/ So we can
make up and make love some more/ You gotta little bit
of soul in your step/ You're the best kisser I ever met/
You never ever do what you should/ Baby how did you
get to be so good?

Hot hot hot hot...Hot Damn you're the woman for this
man

Hot hot hot hot...Hot Damn you're the woman for this
man

Hot hot hot hot...Hot Damn you're the woman for this
man

Hot hot hot hot...Hot Damn you're the woman Baby!

I'm never shy around you honey/ We do everything and
a little bit more/ I've got it bad for you honey/ I think you
know this but you want me to show it/ You got a little bit
of bite in your bark/ You're always leaving a trail of
broken hearts/ I'm around you but my body keeps
shaking/ You can wear the pants if I bring home the
bacon

Hot hot hot hot...Hot Damn you're the woman for this
man

Hot hot hot hot...Hot Damn you're the woman for this
man

Hot hot hot hot...Hot Damn you're the woman for this
man

Hot hot hot hot...Hot Damn you're the woman for this

We look so good together/ It don't get much better/ I
can't believe I'm by your side/ You make me wanna....
We look so good together/ It don't get much better/ I
can't believe I'm by your side/ Wherever you are I'm
coming

I wanna ride with you honey/ I wanna roll around the
kitchen floor/ I wanna fight with you honey/ So we can
make up and make love some more/ You gotta little bit
of soul in your step/ You're the best kisser I ever met/
