"In Your Arms"

In your arms is where I belong.
In your arms is where I belong.

Your eyes, I could stare at all night.
It's your eyes I stare at all night.

When the weight of the world is holding me down
I wanna be with the one who makes me feel alive.
It's where I belong.
In your arms is where I belong.

It's your lips and your kisses I miss.
It's your lips I could kiss that I miss.
I don't care 'bout nothin' I've seen.
Just as long there's no wrong between you and me.

When the weight of the world is holding me down
I wanna be with the one who makes me feel alive.
It's where I belong.
In your arms is where I belong.

In your arms is where I belong.
When the night is bright and you're always alone
The feelings I have multiply ten-times strong.
I am, when I am,
When I am, when I am,
In your arms.
It's where I belong.
It's where I belong.
When I am alone.

It's where I belong.
Now that you're gone.
My world, my world, my world don't belong.
