Legs, legs, the longer they get
The more foolish I get in the head.
Legs, legs, the longer they get
The more stupider I'm in the end.

I like 'em 10 feet tall.
Barefoot or high heels on.
I like 'em wrapped around me,
Or walking up on top me,
If you spend the night
There's just one thing I like...

Ooh la la la la la la

Legs, legs, legs, long legs.
Legs, legs, legs, long legs.

Legs, legs, the longer they get
The more foolish I get in the head.
Legs, legs, the longer they get
The more stupider I'm in the end.

I watch them stomp down the street.
It gets so hot, I can't breathe.
I like them walking round,
Standing up or sitting down'
If you spend the night,
There's just one thing I like...

Ooh la la la la la la la la la la la la la la la

Legs, legs, legs, long legs.
Legs, legs, legs, long legs.

I like 'em 10 feet tall.
Barefoot or high heels on.
I like 'em wrapped around me
Or walking up on top me.
If you spend the night,
There's just one thing I like...

Ooh la la la la la la la la la la la la la la la

La la la la la la la la la la la la la la la la

Legs, legs, legs, long legs.
Legs, legs, legs, long legs.
Legs, legs, legs, long legs.
Legs, legs, legs, long legs.
Legs, legs, legs, long legs.
Legs, legs, legs, long legs.
