I Love It When It goes like boom!
And Like that and like that and like that
Right behind ya...whooh
Well I feel so good right here
I might not be the flashiest dresser in the room
I might not know how to look a girl in the eye
I might not have the right pick-up lines
but I'll tell you what i got
You see when i was growin' up...
I got the inside scoop
I used to watch all the older fellows work down the
block
that's right when they used to work I used to watch
and when I watched I learned the lovercall, baby!

(Chorus:)

If you wanna do it do it right
up and down side to side
baby we can do it for a night
don't hold me back

You gotta look sharp,fellows
ohhhhhh you gotta act right you see,
no woman in her right mind is gonna waste her time if
you ain't on time
oh oh oh let's not talk about how I know that
I'm just here to pass down what I know to you!
You see, when I was growin' up
I got the inside scoop
I used to watch all the older fellows work down the
block
that's right when they used to work I used to watch
and when I watched I learned... the lovercall, baby!

(Chorus)

If you wanna do it do it right
lick it up side to side
baby we can do it for a night
don't hold me back....hold me back
That's right I love it when the lovercalls, baby.
Do you like the Lovercall? I love the lover call! WHoo!
Yeahyeahyeahyeahyeahyeahyeahyeahyeahyeah!

Lovercall!
