She got out of the car w/ a cocaine nose and a nosejob
She wore her pants so tight, wasn't too bright
It doesn't matter much when you're a sight for sore
eyes
And everybody's gonna have a good time

I look at girls all the time
I can't help it, its a habit I've acquired
I need a woman' touch just a little too much
Too many good looking girls I wanna ask you all out

What's every good looking girl doing tonight
'cause i'm free and i got my bedroom keys

Move it baby
Shake it honey
twiddle that thing
twiddle it girl

Oh baby I get so excited
god damn I need a sex change

In the middle of the night
She wakes me up and then we do it one more time
We do it over and over and over and over and over and
over...

And everybody's gonna have a good time
I look at girls all the time
I can't help it, it's a habit I've acquired
I need a woman's touch a little too much
Too many good looking girls I wanna ask you all out
What's every good looking girl doing tonight?
Take me I'm all the man you'll need
thats a promise

Allright baby, you got a back stage pass
Bet you wanna get up on that stage dont ya
I believe that's some star quality action happening
But let me tell you something;
When you up on stage,
You gotta shake that thing
You gotta twirl that thing baby

When you up on stage
Light that thing on FIRE

WHOW!
