Woah-ho-woah ho-ho

Look out, alright
Let's take it out
Woohoo

If you wanna get dressed up in your birthday suit
Clothing is (?abstenir?) (maybe a french word??), you
gotta do what you gotta do
Everybody thinks about it we all know it's true
Sixty times every minute, I know you think about it, too

Only one thing that's on my mind

Sex
Who wants some
I think I know you do
24 hours a day
It's the only thing I wanna do
Sex

I might get moody, but I'm always in the mood
I take an order of you on the side
You're set to stun, I want some fun
I got a one track mind

I don't need a (?pool?) of clothing
Just a bed in every room

Everybody wants some
How 'bout you

Only one thing that's on my mind

Sex
Who wants some
I know you do
24 hours a day
It's the only thing I wanna do
When I say
Sex
Who wants some
I know you do
24 hours a day
It's the only thing I wanna do

Woah-ho-woah-ho-ho-ho
Woah-ho-woah ho-ho-ho
Woah-ho-woah-ho-ho
Woah-ho-woah ho-ho

Woah-ho-woah-ho-ho-ho
Woah-ho-woah ho-ho-ho
Woah-ho-woah-ho-ho
Woah-ho-woah ho-ho

I'm not messing around with you all day long little girl,
just because

The only one thing that's on my mind

Sex
Who wants some
I know you do
24 hours a day
It's the only thing I wanna do
When I say
Sex
Who wants some
I know you do
24 hours a day
It's the only thing I wanna do
Sex
