I wanna love you but you move too damn slow.
I wanna leave you but I can't seem to let you go.
Caught in your web, I'm spinning 'round and I'm about
to blow
My top, yeah.

Wanna believe that I can even up the score.
Or maybe you can see my side and I can have the floor.
But in the end you'll never bend and I'll be out the door
For good, yeah.

When I'm around you,
You wear me out.
When I'm around you,
You wear me down.

I wanna love you but you move too damn slow.
I wanna leave you but I can't seem to let you go.
Caught in your web, I'm spinning 'round and I'm about
to blow
My top, yeah.

Woo, my top, yeah!

When I'm around you,
You wear me out.
When I'm around you,
You wear me down, down, down.

When I'm around you,
You wear me out.
When I'm around you,
You wear me down.

When I'm around you,
You wear me out.
When I'm around you,
You wear me down.
When I'm around you,
You wear me out.
When I'm around you,

You wear me down.
