Disconnected  
From what we are  
I try to reach you  
Get back to the start  
Why can't we love  
Just because  
I think your funny  
Even though nobody does

Did we start a fire just  
To watch it burn  
Did I push too hard and think  
You'd never learn

Chorus  
Is everything going backwards?  
Is mercury in retrograde?  
I thought I new what love was  
Now tomorrow is yesterday  
Is everything going backwards

Freeze the picture  
Stop the sun  
Go underground  
Forget what we've done  
I can't cut the chord  
I'm not like you  
I don't want something that means  
Nothing to you

Did we start a fire just  
To watch it burn  
Did I push too hard and think  
You'd never learn

Chorus

Every word to you say but  
I know you never felt  
Do you want somebody  
Else somebody else

## Chorus
