Tell me, do you think it'd be alright
If I could just crash here tonight?
As you see I'm in no shape for drivin'
And I got no place to go

And you know it might not be that bad
You were the best I ever had
I hadn't blown the whole thing years ago
I might not be alone

Tomorrow we can drive around this town
And let the cops chase us around
The past is gone but something might
Be found to take it's place

Hey jealousy
Hey jealousy
Hey jealousy
Hey jealousy

You can trust me not to drink
And not to sleep around
And if you don't expect too much from me
You might not be let down

'Cause all I really want is to be with you
And feel like I matter too
If I didn't blow the whole thing years ago
I might not be alone

Tomorrow we can drive around this town
And let the cops chase us around
The past is gone but something might
Be found to take it's place

Hey jealousy
Hey jealousy
Hey jealousy
Hey jealousy

Tomorrow we can drive around this town
And let the cops chase us around

The past is gone but something might
Be found to take it's place

Hey jealousy
Hey jealousy
Hey jealousy
Hey jealousy

Listen to my heart
There's only one thing I can start
