Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
And you use it only for me

So use it and prove it
Remove this whirling sadness
I'm losing, I'm blue sing
But you can save me from madness now

Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
And you use it only for me

So save me, I'm waiting
I'm needing, hear me pleading
And soothe me, improve me
I'm grieving, I'm barely believing now

When you are flying round and round the world
And I'm alone here
I know there's something sacred and free reserved
And received by me only

Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
And you use it only for me

So save me, I'm waiting
I'm needing, hear me pleading
And soothe me, improve me
I'm grieving, I'm barely believing now

When you are flying round and around the world
And I'm alone here
I know there's something sacred and free reserved
And received by me only

Nobody knows it, nobody knows it
Nobody knows it but you've got a secret

Nobody knows it, nobody knows it
Nobody knows it but you've got a secret
