If I lost the fight
Would you take me inside
Would you hold on through
Make it all feel like new

Chorus:
Will you be there for me
Will you be there
Will you hold on tight
Will you make it alright
Will you be there for me

When I'm scared and tired
Will you breathe in some life
If this world breaks me
Would you make me whole again please

Chorus:
Will you be there for me
Will you be there
Will you hold on tight
Will you make it alright
Will you be there for me

Bridge
If what is left for me is this
Empty longing need
I can only make it
If you ask me to take it with you
