Checked for my cheekiest pants before I hit the door
"I'd like to get approached" say what I wore
They're not obsessed by
just feel undressed by

I'm set out on a longtime funhunt
Wanna find some kinda something that I want tonight

Don't like to get too aggressive, in it for the fun
Weapon's a reputation--good mouth beats gun
I like to speak not
afraid to look weak

I'm set out on a longtime funhunt
Wanna find some kinda something that I want tonight

Sometimes each block of the night seems like some
precious box
Of ancient treasure hid by secret locks
that love gets keys to
the rest just see through

I'm set out on a longtime funhunt
Wanna find some kinda something that I want tonight
