(Lloyd)

I

Looked out of the window.

I'm staring into the sky.

You

Turned back to the pillow.

You softly began to cry.

Why

I always wondered why?

You

Turn black into white.

I

Walked out of the doorway

I'm having an awful night.

You

You're reading a story.

You say it will be all right.

Why

I always wonder why?

You, you turn black into white.

I went walking through the rain which kept falling down.

Baby, I was lost in another way.

Just lost in another way.

Rain it keeps falling.

The wind it keeps howling.

I'll just keep on calling you back again.

I

Walked out of the doorway

Been having an awful night.

You

You're reading a story.

You say it will be alright.

Why

I always wonder why?

You, you turn black into white.

So, I went walking through the rain which kept falling
down.

Baby, I was lost in another way.

Just lost in another way.

The rain it keeps falling

The wind it keeps howling.

I'll just keep on calling you back again.

The rain it keeps falling
The wind it keeps howling.
I'll just keep on calling you back again.
And I'll keep calling you back again.
I'll keep calling you back again.
I'll keep calling you back again.
I'll keep calling you back again.
