(Lloyd)

It's hard for me to say what I'm thinking of,
You don't want to play, and I can't get enough,
You're feeling blue and grey, you're feeling kinda
rough,

Well I don't want to lose you.

The sun goes down in Shanty Town,
And you wave goodbye to the day.

You're feeling blue and grey

You're feeling blue and grey

You're feeling blue and grey

You say you're feeling bad, well listen to

To come true

Don't be feeling sad, put it to the test,

Cos I don't want to lose you.

The sun goes down in Shanty Town,

And you wave goodbye to the day.

You're feeling blue and grey

You're feeling blue and grey

You're feeling blue and grey

It's hard for me to say what I'm thinking of,

You don't want to play, and I can't get enough,

You're feeling blue and grey, you're feeling kinda
rough,

Well I don't want to lose you.

The sun goes down in Shanty Town,

And you wave goodbye to the day.

You're feeling blue and grey

You're feeling blue and grey

You're feeling blue and grey
