Verse 1:

Something bout a friday night that  
Makes me wanna get excited  
Knowing that the weekend's here just  
Does it to me everytime  
I, get fresh cause the girls they like that  
One with me another hombre  
Pull up to the curb and put the system up to ten like  
Boom, I love it when the speakers pop like  
Boom, I got the girls droppin like it's hot like  
Boom, Everybody on the floor just sing along with me  
(x2)

Chorus

We can get it started  
Yes I'm trying to find her  
Looking for the girl who makes my heart go Boom  
There is no denying  
If she has what I like then  
I will get the girl who's really got that Boom

Verse 2:

We got the whole place on lock now  
So crunk that we just can't stop now  
So many fly dips to choose from  
But I think that I found the one  
Who can handle what I'm giving  
She knows how to get it get it  
Breakin' it down on me from the bottom to the top like

Boom, I love it when the systems pop like  
Boom, I got the girls droppin like it's hot like  
Boom, Everybody on the floor just sing along with me
