[Donna]

We were strangers, starting out on a journey
Never dreaming what we'd have to go through
Now here we are and I'm suddenly standing
At the beginning with you

[Richard]

No one told me I was going to find you
Unexpected, what you did to my heart

[Both]

When I lost hope, you were there to remind me
This is the start

And life is a road and I wanna keep going
Love is a river, I wanna keep flowing
Life is a road, now and forever
Wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the beginning with you

[Donna]

We were strangers on a crazy adventure

[Richard]

Never dreaming how our dreams would come true

[Both]

Now here we stand, unafraid of the future
At the beginning with you

[Repeat Chorus]

I knew there was somebody, somewhere
Like me alone in the dark
Now I know my dream will live on
I've been waiting so long
Nothing's gonna tear us apart

[Repeat Chorus]

[Richard]

Yeah...

[Both]

Life is a road and I wanna keep going

Love is a river, I wanna keep going on

[Donna]

Starting out on a journey

[Both]

Life is a road that I wanna keep going

Love is a river, I wanna keep on flowing

In the end I wanna be standing

At the beginning...

With you
