Only one gift on my list
I don't have to check it twice
I'm gonna have to count of St. Nick
Maybe he can make it right

I know but I'll try anything
And miracles have happened
And I think I hear those sleigh bells ring
Oh oh

I gotta get the Christmas spirit
I can't get anywhere near it
But I'm here hoping desperately
I'll do it up with all the trimmings
Christmas tree and carols singing
Anything to bring my baby back to me

All I want's a happy ending
Waiting there when I get home
I don't want to wind up spending
Another winter all alone

I hope it's not too much to ask
I'm sure you must be busy
So I'll try to end this story fast
Oh oh

I gotta get the Christmas spirit
I can't get anywhere near it
But I'm here hoping desperately
I'll do it up with all the trimmings
Christmas tree and carols singing
Anything to bring my baby back to me

I gotta get the Christmas spirit
I can't get anywhere near it
But I'm here hoping desperately
I'll do it up with all the trimmings
Christmas tree and carols singing
Anything to bring my baby back to me

Santa bring my baby back
Santa bring my baby back
Santa bring my baby back to me
Santa bring my baby back
Santa bring my baby back
Santa bring my baby back to me
