What is this, all of my darkest fears?
Why have they gathered here?
To watch a fool go down.
Go away. why would you waste your time?
Here where the sun wont shine.
There's nothing left for you.

Chorus:

I can't go on this way
Knowing you don't want me.
I can't go on this way
Knowing you don't need me.
I can't go on this way
When everything I do depends on you.
Depends on you.

I had it all. one of the sunny boys.
Hear my pride and joy.
You were always there by me.
Funny how fast sunny times go by?
And fall to a darkened sky.
And lot of useless toys

I can't go on this way
Knowing you don't want me.
I can't go on this way
Knowing you don't need me.
I can t go on this way
When every step I take depends on you
Depends on you.

I can't go on this way
Knowing you don't want me.
I can't go on this way
Knowing you don't need me.
I can't go on this way
When everything I do depends on you.
Depends on you
