Just when I believed
I couldn't ever want for more
This ever changing world
pushes me through another door
I saw you smile
and my mind could not erase
the beauty of your face
Just for awhile won't you
let me shelter you

(chorus)

Hold on to the nights
Hold on to the memories
I wish I could give you something more
and I could be yours

How do we explain
something that took us by surprise
Promises in vain
love that is real but in disguise
What happens now?
Do we break another rule
let our lovers play the fool?

I don't know how
to stop feeling this way

(chorus)

Hold on to the nights
Hold on to the memories
If I could only give you more

Well, I think that I've been true
to everybody else but me
And the way I feel about you
makes my heart long to be free
Everytime I look into your eyes
I'm helplessly aware
That the someone I've been searching for
is right there

(chorus)

Hold on to the nights
Hold on to the memories
I wish I could give you more
then I could be yours
