Just when I believed  
I couldn't ever want for more  
This ever changing world  
Pushes me through another door

I saw you smile and my mind  
Could not erase the beauty of your face  
Just for awhile  
Won't you let me shelter you?

Hold on to the nights  
Hold on to the memories  
I wish that I could give you something more  
That I could be yours

How do we explain  
Something that took us by surprise?  
Promises in vain  
Love that is real but in disguise

What happens now  
Do we break another rule  
Let our lovers play the fool?  
I don't know how  
To stop feeling this way

Hold on to the nights  
Hold on to the memories  
If only I could give you more

Well, I think that I've been true  
To everybody else but me  
And the way I feel about you  
Makes my heart long to be free

Every time I look into your eyes  
I'm helplessly aware  
That the someone I've been searching for  
Is right there

Hold on to the nights  
Hold on to the memories

I wish that I could give you more

Hold on to the nights
