Oceans apart, day after day  
And I slowly go insane  
I hear your voice on the line  
But it doesn't stop the pain

If I see you next to never  
How can we say forever?

Wherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for you

I took for granted, all the times  
That I thought would last somehow  
I hear the laughter, I taste the tears  
But I can't get near you now

Oh, can't you see it, baby?  
You've got me goin' crazy

Wherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for you

I wonder how we can survive  
This romance  
But in the end if I'm with you  
I'll take the chance

Oh, can't you see it, baby?  
You've got me goin' crazy

Wherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for you
