Well they told me not to come around you anymore
Said I should find something to do
And it filled me with an anger that I can't ignore
But I'm sure it didn't come from you

Everyone says I'm touched inside
That you don't even know I'm alive

Little Miss Heartbreak, can you hear me?
I've got your picture pasted on the wall
Little Miss Heartbreak, need you near me
Without you, I'm nothing at all

Is there something I can change in me to suit your
taste?
Something clever I can say?
Left my number at your room again, just in case
You want a quiet place to stay

I'm not just another face in the crowd
I'm here to tell you clear and loud

Little Miss Heartbreak, can you hear me?
I've got your picture pasted on the wall
Little Miss Heartbreak, need you near me
Without you, I'm nothing at all

I can't stop these chills you give me
Every time you come through the door

I won't just stand by and watch you
Like a schoolboy anymore...yeah...

Ooh, I wait by the mailbox, stare at the phone
How can you leave me here alone?

Little Miss Heartbreak, can you hear me?
I've got your picture pasted on my wall
Miss Heartbreak, need you near me
Without you, I'm nothing...yeah...

Little Miss Heartbreak, I know you see me

How can you go on treating me this way?
Little Miss Heartbreak, believe me
I'm gonna make you mine someday

Yeah, Little Miss Heartbreak
I'm gonna make you mine someday

Yeah, Little Miss Heartbreak...

Miss Heartbreak...
