Have you heard the news?
I'm doing what I said I would
So now you say
Boy, I always knew you could

My wildest dreams
Murdered by reality
I gave all I could give you
But now I'm taking back what belongs to me

I read you like a drugstore book
How'd I ever think you were cool?
You got no bait left on your hook
You're no friend and buddy, I'm no fool

There ain't nothin' you can do about it
There ain't nothin' you can say
There ain't nothin' you can do about it
No one's gonna stand in my way

I've done my time
I've given up my pound of flesh
So why can't the man seem to understand
That I've already passed the test?

Well, you did your best to keep me down
Tried to make my spirit give in
But I'm here to make a big, big sound
It's your turn to lose and it's my turn to win

There ain't nothin' you can do about it
There ain't nothin' you can say
There ain't nothin' you can do about it
And no one's gonna stand in my way
Ain't nothin' you can do about it
Ain't nothin' you can say

I know you can never go back
Once you turn and walk out that door
I got no time for worries like that
I'm not a kid anymore

You did your best to keep me down
Tried to make my soul give in
But now I'm here to make a big, big sound
It's your turn to lose and it's my turn to win

There ain't nothin' you can do about it
There ain't nothin' you can say
There ain't' nothin' you can do about it
And no one's gonna stand in my way

Ain't nothin' you can do about it
Ain't nothin' you can say
Ain't nothin' you can do about it
No, no

Ain't nothin' you can do about it
Ain't nothin' you can say
Ain't' nothin' you can do about it
Nothing
