Whenever I'm weary  
From the battles that rage in my head  
You make sense of madness  
When my sanity hangs by a thread

I lose my way, but still you  
Seem to understand  
Now and forever  
I will be your man

Sometimes I just hold you  
Too caught up in me to see  
I'm holding a fortune  
That Heaven has given to me  
I'll try to show you  
Each and every way I can  
Now and forever  
I will be your man

Now I can rest my worries  
And always be sure  
That I won't be alone, anymore  
If I'd only known you were there  
All the time  
All this time

Until the day the ocean  
Doesn't touch the sand  
Now and forever  
I will be your man  
Now and forever  
I will be your man
