Light

It falls from you and covers me
And I
I love you in ways no voice could speak
I never dreamed Iâ€™d have so much
But Iâ€™d burn it all just to warm you up

You are the water that I drink
You are the song Iâ€™ll always sing
You turned my world of doubt into belief
And I will love you on your way
I will remember every day
And if you fall Iâ€™m never out of reach
Cause youâ€™re a part of me

Live
May the wind carry you
And rise
High enough to see the truth
I will protect you when I can
Donâ€™t be afraid just give me your hand

Chorus

As you go along
You wonâ€™t take a step alone
And should your faith be gone
Iâ€™ll believe for you

I love you more than the sea is deep
Just know (that) you can always count on me

Chorus
