All alone at the end of the evening
And the bright lights have faded to blue
I was thinking bout a woman who might have
Loved me and I never knew
You know Ive always been a dreamer
(spent my life running round)
And it's so hard to change
(cant seem to settle down)
But the dreams Ive seen lately
Keep on turning out and burning out
And turning out the same

So put me on a highway
And show me a sign
And take it to the limit one more time

You can spend all your time making money
You can spend all your love making time
If it all fell to pieces tomorrow
Would you still be mine?

And when you're looking for freedom
(nobody seems to care)
And you can find the door
(cant find it anywhere)
When there's nothing to believe in
Still you're coming back, you're running back for more

So put me on a highway
And show me a sign
And take it to the limit one more time

Take it to the limit
Take it to the limit
Take it to the limit one more time
