I've been where you are before  
No one understands you more  
So sure that your heart will break  
You fear ever step you take  
It's not how the story ends  
You'll be back on your feet again

There ain't nothing gonna take this heart away  
Baby  
This time  
There ain't nothing gonna take my heart away

No more goodbyes  
The pain's still alive in you  
For what one man put you through  
You say that we're all the same  
But I'm called by no other name  
We all need a place to run

Baby this time  
There ain't nothing gonna take this heart away  
Won't you let me be the one  
No more goodbyes  
There aint nothing gonna take my heart away

Just believe in this love  
Don't keep a dream in you locked outside your door  
Whoa  
And don't be afraid anymore

I need you to please be strong

I've waited for you too long  
Baby this time  
There ain't nothing gonna take this heart away  
No more long nights

There ain't nothing gonna take my heart away  
This time  
There ain't nothing gonna take this heart away  
No more goodbyes  
There ain't nothing gonna take my heart away

There ain't nothing gonna take my heart away  
Hey-yah-yeah
