Ohh, ohh

When visions around you bring tears to your eyes
And all that surround you are secrets and lies
I'll be your strength, I'll give you hope
Keeping your faith when it's gone
The one you should call is standing here all alone

And I will take you in my arms
And hold you right where you belong
Till the day my life is through
This I promise you, this I promise you

I've loved you forever in lifetimes before
And I promise you never will you hurt anymore
I give you my word, I give you my heart
(Give you my heart)
This is a battle we've won and with this vow
Forever has now begun

Just close your eyes each loving day
(Each loving day)
I know this feeling won't go away
(No)
Till the day my life is through
This I promise you, ooh, I promise you

Over and over I fall
(Over and over I fall)
When I hear you call
Without you in my life baby
I just wouldn't be living at all

And I will take
(I will take you in my arms)
You in my arms
And hold you right where you belong
(Right where you belong)
Till the day my life is through
This I promise you baby

Just close your eyes each loving day

(Each loving day)
I know this feeling won't go away
(No)
Every word I say is true
This I promise you

Every word I say is true
This I promise you, ooh, I promise you
