Though youre far away from home,
Where the cold and lonely roam,
Dont forget the setting sun
Shines on everyone,
And youll never be alone.

Youd give everything you own,
Saddle blanket, rope, and coat,
To be sitting by your side
Right at christmas time,
And youll never be alone.

Riding life for months on end
Is sure to set you thinking too much.
Been so long I cant remember when
The last time I felt your touch.

Though youre aching to the bone,
She loves you more than you will know.
Tell the trail to go to hell.
Just sing a noel,
And youll never be alone.
Whoa!

[guitar interlude]

Yeah!
Riding life for months on end
Is sure to set you thinking too much.
Its been so long I cant remember when
The last time I felt your touch!

Though youre far away from home,
Where the cold and lonely roam,
Dont forget the setting sun
Shines on everyone,
And youll never be alone.

Ill be sitting by your side,
Right at christmas time,
And Ill never be alone!

[guitar out]
