Some people do it for compassion
Some people do it for the fashion
Some people do it to be funny
Some people do it for the money
Some people do it for enslavement
Some people do it on the pavement
But
We're going to do it anyhow, anyhow
We're going to do it anyhow, anyhow
We're going to do it
No matter how the wind is blowing
We're going to do it anyhow, anyhow
We're going to do it anyhow, anyhow
We're going to do it
We just gotta keep going
Some people do it for each other
Some people do it for their lover
Some people do it for improvement
Some people do it for the movement
Some people do it for enjoyment
Some people do it for employment
But
We're going to do it anyhow, anyhow
We're going to do it anyhow, anyhow
We're going to do it
No matter how the wind is blowing
We're going to do it anyhow, anyhow
We're going to do it anyhow, anyhow
We're going to do it
We just gotta keep going
Denton, Denton, you've got (clap) no pretension
You're (clap) where the heart is, you're OK
Denton, Denton, you've got (clap) no pretension
You're (clap) the acceptable face
(clap) Of the human race (clap)
You're (clap) Denton, Denton, U.S.A.
We're going to do it anyhow, anyhow
We're going to do it anyhow, anyhow
We're going to do it
No matter how the wind is blowing
We're going to do it anyhow, anyhow
We're going to do it anyhow, anyhow

We're going to do it
We just gotta keep going
We just gotta keep going
We just gotta keep going
(The sun never sets on those who ride into it)
We just gotta keep going!-a
