Michael Rennie was I'll the day the earth stood still  
But he told us where we stand  
And Flash Gordon was there in silver underwear  
Claude Rains was the invisible man  
Then something went wring for Faye Wray and King  
Kong  
They got caught in a celluloid jam  
Then at a deadly pace it came from - outer space  
And this is how the message ran  
Science fiction - double feature  
Doctor X will build a creature  
See androids fighting  
Brad and Janet  
Anne Francis stars in Forbidden Planet  
Oh oh oh oh  
At the late night double feature picture show  
I knew Leo G. Carrol was over a barrel when  
Taratula took to the hills  
And I really got hot when I saw Janet Scott fight a  
Triffid that spits poison and kills  
Dana Andrews said Prunes gave him the runes  
And passing them used lots of skills  
But When Worlds Collide said George Pal to his bride  
'I'm gonna give you some terrible thrills'  
Like a  
Science fiction - double feature  
Doctor X will build a creature  
See androids fighting  
Brad and Janet  
Anne Francis stars in Forbidden Planet  
Oh oh oh oh  
At the late night double feature picture show  
I wanna go oh oh  
To the late night double feature picture show  
By R.K.O oh oh  
To the late night picture show  
In the back row oh oh  
To the late night double-feature show
