Riff-Raff:

It's astounding
Time is fletting
Madness take sit's toll
But listen closely

Magenta:

Not for very much longer

Riff-Raff:

I've got to keep control
I remember doing the timewarp
Drinking those moments when
The blackness would hit me

Both:

And the void would be calling

All:

Let's do the Timewarp again
Let's do the Timewarp again

Narrator:

It's just a jump to the left

All:

And then a step to the right

Narrator:

Put your hands on your hips

All:

And bend your knees in time
But it's the pelvic thrust

That really drives you insane

Let's do the Timewarp again

Let's do the Timewarp again

Magenta:

It's so dreamy

Oh fantasy free me

So you can't see me

No not at all

In another dimension

With voyeuristic intension

Well secluded

I'll see all

Riff-Raff:

With a bit of a mind flip

Magenta:

You're into the time slip

Riff-Raff:
And nothing can ever be the same
Magenta:
You're spaced out on sensation
Riff-Raff:
Like you're under sedation
All:
Let's do the Timewarp again
Let's do the Timewarp again
Columbia:
Well I was walking down the street just a having a think
When a snake of a guy gave me an evil wink
He shook-a me up, he took me by surprise
He stared at me and I felt a change
Time meant nothing, never would again
Narrator:
It's just a jump to the left
All:
And then a step to the right
Narrator:
With your hands on your hips
All:
You bring your knees in tight
But it's the pelvic thrust
That really drives you insane
Let's do the Timewarp again
Let's do the Timewarp again
