Janet
In the velvet darkness
Of the blackest night
Burning bright, there's a guiding star
No matter what or who you are

{Refrain}
Brad and Janet There's a light
All Over at the Frankenstein place
Brad and Janet There's a light
All Burning in the fireplace
Brad and Janet There's a light, light
In the darkness of everybody's life

Riff Raff
The darkness must go
Down the river of night's dreaming
Flow morphiuous slow let the sun and light
Come streaming into my life
Into my life

{Refrain}
Brad and Janet There's a light
All Over at the Frankenstein place
Brad and Janet There's a light
All Burning in the fireplace, there's a light, a light
Brad and Janet In the darkness of everybody's life
